*Alcohol and Alcoholism*, 2022, doi: <https://doi.org/10.1093/alcalc/agac005>

In the originally published version of this manuscript, there was an error in the title. This should read: “Incorporating Social Networks and Event-Specific Information in a Personalized Feedback Intervention to Reduce Drinking Among Young Adults” instead of “Incorporating Social Networks and Ezzvent-Specific Information in a Personalized Feedback Intervention to Reduce Drinking Among Young Adults”. This error has been corrected online.
